Letter No.1658 dated 13/15th June 1911, from the Sub-Division Assistant Commissioner, Bangalore Sub-Division, to the Deputy Commissioner, Bangalore District.

With reference to para 2 of your Memo No.R.2927 of the 11th ultimo in re the alignment of the Light Railway and the settlement of compensation therefor, I have the honor to state that on the Military Authorities being written to, it was learnt that the Railway line has been completely obliterated and that the ground has been ploughed up. It was thought under the circumstances that as stated by the Military Officer(D.O's are in the file) no useful purpose would be served by a visit to the place, which would only tend to rake up petty claims for compensation. A sum of Rs.20/- was got from ~~from~~ the -- Military department and distributed at Rs.10/- each between the Jodidars of Kacharkanahalli and Lingarajapur. Their receipts are herein enclosed. Of course, the Military authorities have been made to understand distinctly that this procedure does not estop us from enquiring into any fresh claims, should they be put forward. There is no reason to think at present that any fresh claims will be put forward hereafter, no petitions having been received till now. Bangalore Amildar's Itilla No.1754 of no date with its enclosures and the subsequent D.O. correspondence are herewith submitted.

"C O P Y"

Deputy Commissioner.
